

HARDING HAS 390 VOTES IN ELECTORAL COLLEGE

FALL FESTIVAL AT Y. M. C. A. LAST EVE WAS GREAT SUCCESS

Big Crowd Enjoyed One of Finest Socials in Y History.

The Fall Festival or Carnival held at the Y last evening was a huge success from start to finish. The time set was 8:30 but long before that the crowd started to gather and at the appointed time the building was crowded with men, women and children of all ages between 16 and 60. The festivities were started with music furnished by an orchestra composed of Mrs. C. F. Bishop, H. P. Stearns, Lon Boyer, Clifford Peto and C. D. Rice.

This orchestra, as well as the Dixonian which played later in the evening was enthusiastically received by the guests. The first stunt of the evening was a hand shaking contest—the object of which was to get the gang livened up, acquainted, and incidentally to find out "who had the coins." The real feature of the evening was the trip thru the chamber of horrors, torture, or crazy house it was variously termed. This consisted of a journey to the dark lower regions where cold winds blew, bats flitted, snakes crawled and where the victims were subjected to electrical disturbances, traveled the rocky road to Dublin and were made to tremble and shriek at ghostly figures and the groans and moans of the tortured ones. The operators of this fearful underground world were Glessner, Kerz, Segner, Moses, Etnyre, Lough, Forrest, Miller and Bremer. Members of the Boys' council also helped to make this part of the entertainment a success. Another interesting part of the program was the electrical apparatus concealed in different part of the building and with which the unsuspecting ones were made to jump and shriek. This apparatus was loaned by Dr. Segner and contributed materially to the enjoyment of the evening.

Fortune Teller Busy.

An evening of this kind would be incomplete without the Gypsy fortune teller and this part was taken by Dr. Harriett Saxmann. Judging by the crowds that flocked around her all evening and from the numbers who were turned away disappointed by being unable to have their palms read, she scored a decided hit.

After being subject to these various stunts in which appetites were made and lost, refreshments were served in the boys' department, by a committee composed of the Misses Doeckh, Campbell, McTague and May, while the Dixonian orchestra, composed of Miss Warwood, Chas. Wild, Will Shank and Clarence Hoff, rendered music which started the feet a going and made it most impossible to keep them still. The decorations about the building exceeded anything that had gone before and many were the comments on the appearance of the rooms. Those responsible were Miss Bennett, chairman, Mrs. Dr. Smith, Misses Ahrens, Klopfinger, Brink, Judd, Palmer, Raymond and Messrs Smith and Der Kinderen.

The Committee on Publicity was composed of Messrs Dutcher and Der Kinderen and was responsible for the large crowd that filled and overflowed the Y.

Alleged Builders' Conspiracy Going to N. Y. Grand Jury

New York, Nov. 4.—Investigation of an alleged conspiracy among manufacturers of building materials to keep prices at artificial levels was before the joint legislative committee on housing today at the resumption of its hearings on the building situation here. The committee adjourned a week ago to permit certain of its members to work for their election to state offices.

The November grand jury also planned today to hear evidence brought out during session of the housing committee concerning alleged frauds by building contractors and certain labor organizations. Samuel Untermyer counsel for the committee who is presenting the evidence to the grand jury, cautioned the committee who is presenting the evidence to the grand jury, cautioned the jurors to maintain absolute secrecy as to the proceedings.

Legion Festival Armistice Day

Dixon Post No. 12 American Legion is arranging for a Hard Times Festival to celebrate Armistice Day on Nov. 11. It is planned to hold the festival, to which everyone is invited, at Rosbrook hall, and among the features will be Salvation Army lassies who will "dish out" coffee and doughnuts as they did "over there," a kangaroo court, with plenty of strong military police to preserve order and big surprise at 11 o'clock. Further details of the festival will be announced later.

FIRST HUNTING MISHAP; YOUTH SHOT WEDNESDAY

Sanford Hutchinson is Accidentally Shot in Forearm.

Sanford Hutchinson of this city was painfully wounded yesterday morning while on his way up the river on a hunting expedition in an open boat when a .12 gauge double barreled shot gun was accidentally discharged, the charge striking him in the fore part of the left arm.

Merton Ransom, 403 East Everett street, was in another boat when the accident happened and took the injured man in charge. Mr. Ransom states that the two were opposite the Sandusky cement plant in their boats talking when Hutchinson picked up his gun which was lying in the bottom of the boat, intending to place it cross ways on the sides of the boat.

In moving the gun, one of the hammers caught on the side of the boat, he receiving the full force of the discharge. Mr. Ransom took him across the river to the cement plant, where he was placed in an automobile and taken to the Dixon hospital. He spent a very restful night and reports this morning were to the effect that unless some infection sets in that he will not lose the arm. He was most fortunate in that the lead did not strike in the elbow joint, the small shot only penetrating the fleshy part of the fore arm.

Sycamore H. S. Will Play Here Saturday

The Dixon High school foot ball team will present a greatly changed line-up when it meets the Sycamore High school team at Brown Field Saturday afternoon, and Coach Vazina, in announcing that the team will be strengthened it defensively and add to its scoring ability. The changes will make the back field slightly lighter, but he predicts it will more than offset the loss in weight by enhanced speed. Capt. Jones, who has been out of the game for several weeks with an injured leg, will be back in harness for Saturday's game, which will start at 3 o'clock, and which will undoubtedly be largely attended.

Freeport Cancelled Sunday Game Here

Coach Sherwood Dixon of the American Legion football team received word this morning from the management of the Freeport post eleven, cancelling the game which was scheduled to have been played here next Sunday afternoon. It is reported that several of the games which were arranged by the management of the Freeport team have either been cancelled or the dates changed. In this instance, the game was cancelled from the schedule entirely.

An effort was made at once to secure the Moline Tigers, a team composed of former college stars, to come to Dixon Sunday, but this team is also booked up for the season and were unable to come. Coach Dixon is trying to book a game with some fast out-of-town team for Sunday, a task which is quite difficult at this time of the season as all of the schedules are filled. If he is not successful, the local fans will be without a game Sunday.

By Associated Press Leased Wire Chicago, Nov. 4.—The full magnitude of the Republican victory in Illinois Tuesday will not be known until the official count is completed. With 317 precincts still missing in Chicago hope of completing the unofficial tabulation was abandoned when it was discovered that practically all the missing precincts had failed to send in their official reports along with the sealed official copies, which will not be opened until later.

Returns from 4,719 out of the state's 5,730 precincts at noon today gave Senator Harding a lead of 680,848 and indicated his final plurality in the state would approximate 825,000. Len Small, Republican, is leading J. Hamilton Lewis for governor by 404,514 in 4,636 precincts, giving him an estimated final plurality of approximately 490,000.

McKinley's Lead 800,000. In the senatorial race William B. McKinley has won by an estimated plurality of slightly less than 800,000—returns from 4,829 precincts, giving him a lead of 598,968.

The Democrats saved another congressman in Chicago today when Republicans conceded the re-election of John W. Ralney in the fourth district. Republicans previously conceded the defeat of their candidate in the eighth district by Stanley H. Kutz.

The result in the fifth district is still in doubt. Congressman Adolph J. Sabath, Democrat, leading his Republican opponent by about 200, votes, with a few precincts missing.

Germany Sees Hope for Restoration of Relations with U. S.

Berlin, Nov. 4.—A note of warning against undue optimism in consequence of the Democratic defeat in the American elections is to be found in the complete range of press comment, although the editorial references in the German papers center in the attempt to find comfort in Senator Harding's victory, as presaging early restoration of normal relations between the United States and Germany. The Pan-German editors all make vitriolic onslaughts on President Wilson who is charged with responsibility for the hunger blockade and the irreconcilable post-war attitude of hostility to Germany.

The Lokal Anzeiger says: "We have got rid of Wilson, who in the last analysis, was to blame for our misfortune. Mr. Harding will play politics and mix in world affairs only so far as they concern American interests." Verwaerts thinks it advisable to await President-elect Harding's message to congress for an indication of his position toward the treaty and his attitude toward middle Europe. Count Von Bernstorff, the former German ambassador at Washington, writing in the Acht Ur Abendblatt, thinks that in favoring The Hague tribunal and improvement of the League, Senator Harding has broken away from the policy of the complete isolation of America.

States Attorney-elect Robert Beeson of Sterling transacted business in Dixon this morning.

THE PATHWAY IS BEFORE YOU!

MISSOURI SAFE IN G. O. P. FOLD BY OVER 100,000

Champ Clark Defeated in Great Tidal Wave.

By Associated Press Leased Wire St. Louis, Mo., Nov. 4.—With the state Republican by more than 100,000 on the principal state and national offices—president, senator and governor—the only political question in Missouri today lay in the congressional races and the fights for minor state offices.

The closest fight lay in Jackson county (Kansas City) where Representative Bland was being given the greatest battle of his life career for re-election to congress. The vote early today stood:

Bland, 77,082; Ellis, 77,007. With Champ Clark defeated by T. W. Hukreide, of Warrenton, Mo., indications were that the Republicans would gain eight members in the House if present leads are retained. Thirteen Republicans seemed sure of election. Harry Hawes of St. Louis was the only Democrat whose victory was conceded. Two Democrats incumbents were expected to be returned.

Missouri's returns today lacked only a few precincts in southern counties, some of which had neither telephone, telegraph nor railroad communication with the rest of the state.

The Republicans claimed the state legislature and all state offices. While they had leads in most cases the returns were not sufficient, however, to assure election in all cases.

Threats By Mail Bring Indictment

New York, Nov. 4.—Almer Ballin, a naturalized Russian, was indicted yesterday by the federal grand jury on a charge of mail frauds in connection with the alleged mailing of letters containing threats to blow up the Woolworth building. It is also charged that Ballin mailed on May 13, 1920 to Macclay Hoyne and Henry Berger, state's attorney and assistant state's attorney, respectively, of Cook county, Illinois, and to the postmaster here communications containing threats and plans for the assassination of public officials and the overthrow by force of the government.

Ballin sent these letters, the indictment charges, in the hope of arousing fear of an anarchist plot and thus securing a post as government investigator to uncover the false conspiracy.

Mrs. D. C. Cratty and daughter Mary have returned to their home in Milwaukee after a visit with Dixon relatives.

Borden Company to Start Separation of Milk Next Saturday

The Borden Company which last Saturday announced that, because of an over-supply of manufactured milk on the market, condensing or evaporating of milk at the Dixon factory would be discontinued temporarily, this morning announced that separator equipment at the local plant will be installed by Saturday, and that on and after that date milk will be handled in accordance with the notice sent out by the company under date of Oct. 23.

That notice was to the effect that the local plant will receive milk from patrons who wish to deliver to be handled for their account and risk only. Patrons will receive the current market price for cream delivered to market less a charge of \$2 per can of cream to partially cover the cost of operation. Patrons must remove the skim milk from the factory.

ATTORNEY GENERAL'S CONNECTION IN MINE STRIKE INVESTIGATED

Indianapolis, Ind., Nov. 4.—Attorney General A. Mitchell Palmer was advised in a telegram from United States District Judge A. E. Anderson today that an investigation of the Attorney General's connection with the case against 125 coal mine operators and miners would be made when the case is called for trial in the federal court here on Nov. 8. Mr. Palmer was invited to be present on that date.

Judge Anderson assured the attorney general that the case of the coal miners and operators would be called on the date set, although to date only the Indiana operators and miners and those of western Pennsylvania who voluntarily surrendered are in the jurisdiction of the Indiana district court.

No indications as to the scope or nature of the investigation to be made was given in the telegram, but it was believed Dan W. Simms, special assistant counsel for the government, would be called to explain an alleged proposal in regard to the evidence in the case said to have been made by Mr. Palmer and which resulted in Mr. Simms' withdrawal from the case.

It was expected that United States District Attorney Fred Vin Nuyss, former District Attorney L. Ert Slack and Department of Justice agents would also be recalled.

Palmer Absent.

Washington, Nov. 4.—Attorney General Palmer was absent from the city today and officials at the department would make no comment on the telegram which Judge Anderson at Indianapolis announced he had sent to Mr. Palmer. Robert T. Scott, assistant to the attorney general, said the telegram had not yet been received.

Marion Plans Big Celebration for Pres-Elect Tonight

By Associated Press Leased Wire Marion, O., Nov. 4.—With only two days remaining before he leaves Marion for a month's vacation trip President-elect Harding went to work today clearing up his desk of the final left-over details of his campaign.

With Mrs. Harding he will start at 7:20 Saturday morning for Point Isabel, Tex., where he will spend 12 days hunting and fishing prior to an ocean voyage to the Panama canal zone. He plans to be back in Marion Dec. 6, and after that may go to some golf coast resort for a winter to be spent in choosing his cabinet and formulating the policies of his administration.

Except for an engagement made several months ago to speak on Dec. 5 in Bedford, Va., at an Elk's memorial service, Mr. Harding has no appointments for public speeches between now and inauguration. He may make short talks from his train along the way south, however, and also may deliver one or two addresses on particular subjects before March 4.

Tonight Marion is to celebrate his election to the presidency and several hundred people from other cities are expected to join the occasion. There will be all the noise and red fire that his loyal neighbors and friends can produce and many special features to give the Harding porch and lawn one final baptism of campaign glory.

Horton Will Open Auto Repair Shop

Claude E. Horton, who for several months has had charge of the auto repair department at the Wilson garage has leased the Charles Dement building on Hennepin avenue between River and First streets, where he will open a first class repair shop about the middle of this month. Some repairs are being made to the interior of the building to suit it for this purpose.

The repair department of the Wilson garage will be discontinued, Mr. Wilson having sold the property some weeks ago to the George Netz Co. In connection with the repair shop, Mr. Horton will store automobiles in one part of the new location.

Colorado's Senator-Elect Against Treaty Negotiated By Wilson

Denver, Col., Nov. 4.—In reply to a query to a newspaper last night Samuel D. Nicholson, senator-elect, said "I am unalterably opposed to the treaty as negotiated by President Wilson. I favor action in accordance with the Republican national platform as adopted at Chicago."

FUNERAL OF BABY BOYER

The funeral of Cecil, infant son of Mr. and Mrs. Oliver Boyer, who passed away at midnight Tuesday, was held from the home yesterday afternoon. The services were private and burial took place in Oakwood.

"SOLID SOUTH" IS BROKEN IN BIG LANDSLIDE

Harding Has Lead in Several "Doubtful" States.

By Associated Press Leased Wire Tennessee has swung into the swelling Republican columns shattering Democratic traditions of a "solid south," unofficial but nearly complete returns from the volunteer state showed early today.

Her shift from the Democratic ranks, coupled with a similar upheaval in Oklahoma, reported late last night assured Warren G. Harding of 390 electoral votes as against 127 definitely in the James M. Cox column, and left in doubt but 18 seats in the electoral college, divided among Arizona (2), Montana (4), Nevada (3), New Mexico (3) and North Dakota (5). In all of these states save New Mexico, Harding was in the lead on available returns and even in New Mexico Republican managers were claiming a Harding plurality though available returns showed a Cox lead.

Taylor Is Elected.

Tennessee on the face of returns tabulated by the Memphis Commercial Appeal from 93 of 95 counties, with 50 precincts missing, gave Harding 199,759 votes and Cox 189,782, a Harding plurality of 9,977. Governor Roberts (Dem.) was swept in Republican tide and Alf. A. Taylor, unsuccessful candidate for governor against his brother in 1886, was elected.

The Republican congressional sweep assumed larger proportions as belated returns continued to come in. The victory of Samuel D. Nicholson, Republican candidate for the senate, from Colorado, assured President-elect Harding a majority of at least 10 in the upper house, and of five states where senatorial choices had not been determined, the Republican candidates were in the lead in four—Arizona, Oregon, Nevada and North Dakota. In the fifth, Kentucky, Republican leaders still clung to the hope that late returns would overcome the advantage held by senator J. C. W. Beckham over Richard P. Ernst, his Republican opponent.

The Republicans had secured 257 seats in the house of representatives to 131 for the Democrats, and four for other parties giving them a lead of 119, with 43 contests.

May Be Turnovers.

Late returns also indicated possible turnovers in cases of some Democratic representatives reported elected. A notable instance was in New York where three Republican candidates reported defeated had forged ahead of three Democrats earlier reported elected. The house will have one Socialist member—Meyer London, of New York who defeated Henry M. Goldfogel, fusion candidate in the twelfth. The Prohibition party lost its lone representative, but an Independent Prohibitionist, Milton W. Shreve, was elected from the twenty-fifth Pennsylvania district.

Several notable upsets occurred in the congressional race—among them the retirement by Missouri voters of former Speaker Champ Clark of the House and the election by Texas voters of a Republican representative, Bryan Blames Wilson.

Post-election developments within the ranks of the beaten Democratic party included a tart statement from William J. Bryan in which he divided blame for the defeat between President Wilson and Candidate Cox asserting that the former had "laid the Prohibition party to rest" and had the latter had "completed the structure."

Wayne B. Wheeler, legislative counsel of the Anti-Saloon League of America issued a statement declaring a check of the congressional election in forty states showed a "substantial majority" in both houses against any beer or wine amendment.

Electoral Vote.

Returns early today showed the following states had given their electoral votes to Harding:

California, 13; Colorado, 6; Connecticut, 7; Delaware, 3; Idaho, 4; Illinois, 29; Indiana, 13; Iowa, 13; Kansas, 10; Maine, 6; Maryland, 8; Massachusetts, 18; Michigan, 15; Minnesota, 12; Missouri, 18; Nebraska, 8; New Hampshire, 4; New Jersey, 14; New York, 45; Ohio, 24; Oklahoma, 10; Oregon, 5; Pennsylvania, 38; Rhode Island, 5; South Carolina, 9; Tennessee, 12; Utah, 4; Vermont, 4; Washington, 7; West Virginia, 8; Wisconsin, 13; Wyoming, 3; Montana, 4—a total of 390.

Governor Cox had safely the following:

Alabama, 12; Arkansas, 9; Florida, 6; Georgia, 14; Kentucky, 13; Louisiana, 10; Mississippi, 10; North Carolina, 12; South Carolina, 9; Texas, 20; and Virginia, 12—a total of 127.

RESIGNED POSITION

Frank Koth, foreman of the I. N. U. gas plant at Sterling, has resigned his position to accept a similar one at Manitowish, Wis.

Today's Market Report

(By Associated Press Leased Wire.)

Grain Prices Hit Setback This Morn

By Associated Press Leased Wire
Chicago, Nov. 4.—Assessments that country offerings of wheat were somewhat larger gave an advantage today to bears in the wheat market. It was also contended that wheat was still out of line with other grain and with commodities in general. Support was lacking. Initial prices which ranged from 1/4 to 2 3/4 lower with Dec. 2.04 1/2, to 2.06 1/2 and March 1.96 to 1.97 were followed by a moderate further setback.
Corn sagged with wheat. After opening unchanged to 1/4c lower, including Dec. at 81 1/2 to 82 1/2c the market continued easy.
Oats reflected the weakness of other cereals, starting unchanged to 1/4c lower. Dec. 53 1/2 to 54 1/2c and showing little power to rally.
Provisions although dull, were firm. Large shipments had a bullish influence.

British Comment of G. O. P. Victory

By Associated Press Leased Wire
London, Nov. 4.—The leading British provincial newspapers consider the election of Senator Harding to the presidency as an indication that the electorate is tired of what the journals call "one man rule." The Liverpool Post says:

"Senator Harding goes to the White House as the representative of a profound belief long maturing among the larger part of the nation, that Wilsonism is alien to American traditions and that America should not entangle herself in the affairs of distracted Europe."

This newspaper expresses the opinion that the election of Senator Harding does not mean antagonism to the League of Nations.

The Yorkshire Post considers it a good thing in the present difficult phase of its natural history that the United States should have elected the candidate it did.

"Senator Harding's aim, at least, is already defined, he wishes to help the world so far as he can honorably do with the approval of congress and without compromising American interests," says this newspaper.

Judge Harry Edwards went to Oregon yesterday where he will preside in the Ogle county circuit court for the remainder of the week.

"CHRIST IN AMERICA"

The Woman's Missionary Society of St. Paul's Lutheran church and the Young Woman's Missionary Society will on Sunday evening at 7:30 at the church observe their annual Thanksgiving meeting by giving the pageant, "Christ in America."

This is a very beautiful pageant the characters of which are appropriately costumed.

The thought brought out in the pageant is most beautiful, that of America, after welcoming to her shores the aliens and showing them higher and better ways of living, also opens to them vistas of new beauty in leading them to the Christ life. The following are the characters which take part in the pageant, gowned in handsome costumes:

China—Helen White.
Japan—Emma Ankeny.
Hungary—Grace Johnson.
Poland—Lulu Baughman.
Italy—Bernice Thoma.
Syria—Anna Hoffman.
Jewish—Edna Martinson.
Indian—Miriam Deveny.
Africa—Iva Mensch.
Armenian—Marie Nelson.
India—Eva Peterson.
Alaska—Leona Fisher.
Persia—Carolyn Rudolph.
Mexico—Mabel Pearse.
Korea—Avis Toot.
Hawaii—Lelia Hinds.
Mountain Girl—Lola Lord.
Flag Bearers—Mary Hursh and Stanwood Trein.

The Christian Church—Esther Baughman.

The members of the choir taking part are Era Manning, Florence Manning, Lucia Spencer, May Fisher, Irene Young, Mildred Unangst, Ida Wolford, Clara Hess, Marie Ives, Annette Hartzell, Gladys Toot, Daisy Wirth.

The Christian church is truly a beacon to the foreigner in this country and America and the true religion are associated in their minds as one inseparable subject. The costumes to be worn Sunday evening are especially beautiful. The Chinese Mandarin's coat was brought to this country by Miss Geisenheimer from her trip abroad, and its soft rich blue is handsomely embroidered in shades of rose and yellow with the familiar dragons, butterflies, etc. The Italian costume, or part of it, the embroidered section, was also brought here by Miss Geisenheimer. The quaint Hindu dress, one long garment was made in China, India, the former home of Rev. and Mrs. Harris of Sterling. The

Korean girl's costume was worn in "The World in Chicago," week and is very pretty. All are cordially invited to attend this entertainment Sunday evening.

"Christ for the World We Bring," and "Oh Zion Have Thy Mission High Fulfilling to Tell to All the World that God is Light," are two of the beautiful numbers to be sung.

FOR BRIDE-TO-BE

Miss Mary Keane daughter of Mrs. Elizabeth Keane of 921 Ninth St., and Mr. LeRoy Harrington will be united in marriage next Wednesday, Nov. 10 at St. Patrick's Catholic church in this city.

Miss Keane has been the recipient of a number of pre-nuptial courtesies. One day last week her co-workers in the filling room in the milk factory gave her a surprise shower at noon, a sumptuous luncheon being served. Miss Keane received a shower of silverware, cut glass and aluminum and tin. The noon hour proved a pleasant one.

One evening last week, Mrs. Otto Peters of Peoria avenue planned a pleasant party for Miss Keane with the assistance of a few neighbors and old friends of the guest of honor and Mrs. Keane, mother of the bride-to-be. Some very nice gifts in aluminum were received by her, and a happy evening spent in games and music. Delicious refreshments were served during the evening.

PHIDIAN ART CLUB

Mrs. W. B. Brinton opened her beautiful home to the Phidian Art club Tuesday afternoon.

The program opened with music by Mrs. Bradford Brinton, who sang very beautifully, "Love's Coronation," by Alliston, and "The Tryst," by Cadman.

An unusually fine paper was given by Mrs. Lager upon "Old Romantic Italy." This subject was treated in a most charming way, Mrs. Lager relying mostly upon her memory. The earliest periods of Rome, the myths and time of the Trojan war were first mentioned; the settlement and first government of the city—the king being priest and judge. The two classes,

the Patricians and Plebeians had many difficulties until they united for a republic and established political equality in 367 B. C.

Then they formed colonies and started their conquests until Rome reigned supreme in 133 B. C. over all southern Europe. They prayed and believed in their gods who were strong forces in Nature and the soldiers showed great bravery. Here Mrs. Lager quoted all the noted poem, "Horatio at the Bridge."

During the time of Caesar the Romans showed greed and ambition. The paper closed with a contrast to the ideals of our own time.

Mrs. Brinton again favored with two songs, responding to an encore. She sang, "When the Dew is Falling," by Snider, and "My Marguerite," (Old French).

A social hour in the dining room closed a very pleasant afternoon.

AT ULLRICH HOME

Misses Edythe Pomeroy and Esther Ulrich entertained Tuesday evening at the latter's sister's home, Mrs. Chris Ullrich of Lee Center. The evening was spent in playing Hallowe'en stunts and games, after which was served a most delicious luncheon. The decorations were carried out in the usual Hallowe'en colors in orange and black, with fancy favors and place cards.

A most delightful evening was spent by all. Those present were Misses Celia Stultz, Irene Ackerman, Messrs Donald Sunday, Wilbur Sunday, Abe Gilbert and Lester Johnson of Franklin Grove.

MISS HARTWELL IN GARRET

Miss Lella Hartwell and friend, Miss Ora Callahan, of Houston, Tex., who is spending the winter here, went to Chicago last Thursday evening and spent Friday in the city shopping.

Miss Callahan returned to Dixon Friday evening while Miss Hartwell left for the southern part of the state, to spend sometime visiting friends and relatives in Tuscola and Garrett, Ill.

IDEAL CLUB MEETING

The meeting of the Ideal club held yesterday afternoon at the home of Mrs. Lloyd Lewis on Boyd street was especially enjoyable, although the attendance was somewhat curtailed because of illness.

The program for the afternoon was on "Australia," Miss Carrie Smith giving an interesting reading on that country. A pleasant social hour was spent and tempting refreshments were served. Beautiful chrysanthemums were the decorations.

FRESH FLOWERS AT CHRISTMAS

To have fresh flowers at Christmas, narcissi, daffodils and hyacinths should be planted during the first half of November. They should be planted at least two inches beneath the surface, in rich soil, and kept in the cellar about eight weeks before they are brought into the sun.

E. R. B. CLASS TO MEET

The E. R. B. Class of St. Paul's Lutheran Sunday school will hold its regular monthly meeting this evening at the home of the Misses Iva and Evelyn Mensch, 222 Chamberlain street. All members are urged to come and attend the meeting.

CHOIR PARTY

The members of the choir of St. Paul's church will meet this evening at the church to enjoy a Hallowe'en party.

CHOIR PRACTICE

AMERICA'S VICTORY

The election of Warren G. Harding
and Calvin Coolidge as President and
Vice President of the United States at
Tuesday's election was a great victory
for America. It is a triumph of Ameri-
canism over internationalism and
must surely convince President Wil-
son that the people do not back him
up in his policies. "The Solemn Ref-
erendum" has been held and the Re-
publican candidate who opposed the
Wilson policies has been elected by a
majority which may reach the highest
figure known in American political
history. In any event, the answer of
the voters is surely decisive enough
to convince even the Democratic ad-
ministration.

But President-Elect Harding strikes
a responsive chord when he says that
it is not with a spirit of exultation
over the defeat of his opponent that
he receives the returns from the Re-
publican landslide. The Republican
party faces the future with a full un-
derstanding of the weight and gravity
of the responsibilities the voters have
given the party; with a great desire to
be worthy of the confidence so plainly

wise guidance and loyal public sup-

safely out of the muddle of entangle-
ments, inefficiency, unrest and un-
certainty in which she finds herself.

Mr. Harding, common man, humble,
human, plain; a great American who
does not believe himself or any other
man capable of running this nation
single-handed but who wants and will
use counsel and co-operation from
other Americans—Mr. Harding is the
man who can put America back on a
normal, prosperous, peaceful, sensi-
ble basis. America looks to Mr. Har-
ding to do great things and with ut-
most confidence in his ability to do
them.

INFANTILE PARALYSIS.

Q.—I have a little girl just recov-
ering from infantile paralysis. Can
you give me help both as to line of
treatment and means of amusing her
while convalescent? I hope you can
help me in this matter.

A.—I can well understand your de-
sire for every available means of help
in the long-continued effort before
you. The period of convalescence
may be said to last two years from
the time tenderness disappears from
the affected parts, during which time
you may continue to hope and work
for improvement.

The object of all treatment is, of
course, to prevent deformity and re-
gain every ounce of nerve and muscle
power that it is possible to restore.

The first thing to do—and I pre-
sume you have already done this—is
to ask your family physician to re-
commend a good orthopedic specialist.
He will prescribe (and see that you
are furnished with) the proper brace
or splint that may be necessary to
prevent or correct deformity, and to
assist the child in walking if her low-
er limbs are paralyzed. He will also
tell you that some of the means to be
employed in stimulating the nerves
and muscles are massage, muscle
training by exercise, baths, electricity
and heat. Electricity has not the rep-
utation as a remedial agent that it

formerly had, and since it may easily
frighten a little child, its use may fre-
quently be well dispensed with.

Massage should not be given to a
little child longer than five to twenty
minutes at a time. Stop when the
child begins to feel tired or become ir-
ritable. While massage is a very im-
portant aid to the treatment it is sim-
ply an adjunct, and should not be used
to the exclusion of other measures as
is too frequently done.

Probably the most important single
means for restoring the power to the
affected limbs is muscle training—pas-
sive, assisted, or active exercises.
These should be very carefully plan-
ned and regulated, and be such as are
especially adapted to the particular
form of paralysis present. I know this
sounds very formidable to an untrain-
ed person, but you will find that your
orthopedic specialist has associated
with him an expert in this line who
will show you just what to do and how
to do it. These exercises should be
given once or twice a day, but fatigue
must be carefully guarded against.
Sometimes the exercises can be car-
ried out better in a warm bath, since
the weight of the limb is less in water
than in air.

I am sure that you will understand
from this that any improvement in
your child's condition will be at the
cost of patient, persistent effort on
your part, but I am equally sure that
you will feel that no effort is too great
for her good.

Q.—Is novocaine dangerous.

vocaine should only be used under the
direction of a reputable physician.

GAMES.

After lunch, the likes of which
hadn't been known for many a month
in Meadow Grove Land, there were
games. Of course it's a poor time to
run when everybody is so full of good
things, but Meadow Grove people don't
care so much about this as do folks
in the Land You-And-I-Know-About.
You can guess who won the running
race. Ben Bunny, Jr., and Cutie Cot-
ton were a tie, for the four-legged

race, Greenie Grasshopper for the six-
leggers, and Bill Blackbird for the
two. But wasn't a fast flyer, only a
lot of the birds had gone south and
he only had to race Orrie Owl, Blackie
Bat, one of the Crow boys, and Si
Sparrow.

Then there was a fat man's race
which Corny Coon won, as Wally
Woodchuck had to sit down every few
minutes to rest.

They had jumping, too, and Sam

jump at all, scarcely, but the others
did pretty well. However, Prof. Hare
happened along just then and took a
hand, or foot, I should say, or even
I might say, shook a foot, or four feet,
and he gave the biggest jump you
ever saw and got the prize, a nice
mustache-cup. What the others would
have done with it, had they won it, I
do not know, especially the toad and
frog boys.

THE BOOK OF ANN.

BOB SUGGESTS THAT MRS. BEST
REMARK HER EX-HUSBAND.

Owing to my prolonged fit of weep-
ing, my eyes were red and the lids
were awfully swollen by the time my
husband came home. Taken in com-
bination with my startling new bob,
they certainly made a sight of me.

"I thought you'd feel just that
way," he said sternly, and that was
all the comment Bob ever made upon
the loss of my hair. I wanted him
to say that he missed the feel of it,
but it is often his little pet trick to
hurt me just a little more—when I am
already enduring about as much as I
can stand.

That is the greatest mistake Bob
makes in managing a wife. He
thinks I learn by a husband's indiffer-
ence, neglect. Perhaps some women
do, but his hardness arouses rebellion
within me, or makes me "not care at
all!" Then all of our opinions set in
opposite directions and we are in
grave danger of wrecking the ship of
matrimony.

Fortunately, a serious affair, not of
our own creation, took the bobbing
incident out of our minds for that eve-
ning.

"Ann's father has come to town,"
Bob announced at the dinner table.
"Oh, let it be!" I murmured. "Now that
his daughter has married one of the
Lorimer boys, Mr. Best remembers
that he still has a legal interest in her,
I suppose!"

"Exactly! I guess we will have to
keep paying the fellow to stay away
from her to the end of his days."

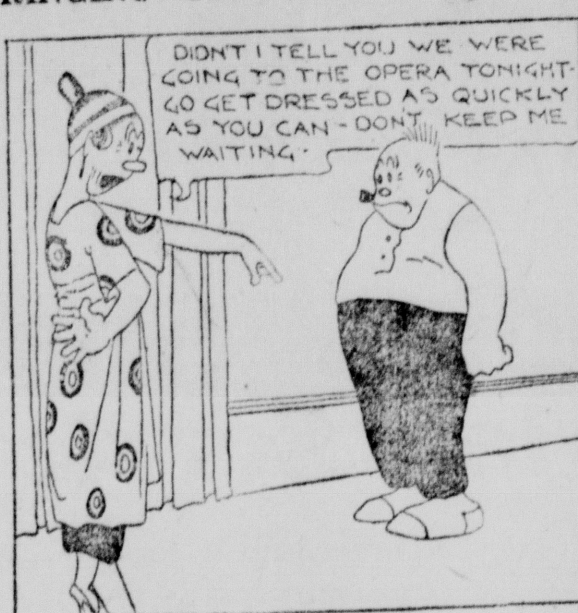

The man can spend faster than you
can write checks, according to Ann's
mother, I remarked.

"Even so, we can't let him make a
row," explained Bob. "You know how
the public dotes on such scandals. I
guess the man will have to be put on
a regular allowance, handled by bank
trustees."

We sent for Ann's mother because
Bob did not care to discuss the matter
with his father, or before any mem-
bers of the family.

Mrs. Best also had heard from her
ex-husband.

CONSTIPATION.

Q.—What is a good remedy for con-
stipation? What is a good tonic to
build up the blood?

A.—I am sending you a statement
on constipation, which may be of ser-
vice to you. As a rule, the best tonic
is fresh air, good food and a proper
proportion of rest, work and recrea-
tion. If you have tried this remedy,
and are still not well, be sure to con-
sult a physician, and have him find
out what is wrong.

FRENCH PAPERS PLEASED WITH G. O. P. VICTORY

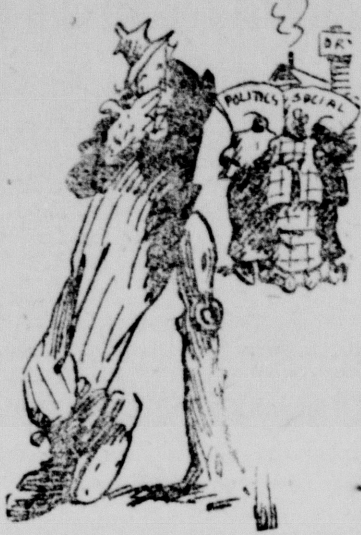

Regard It as Personal Defeat for President Wilson.

By Associated Press Leased Wire
Paris, Nov. 4.—Newspapers of this city give great prominence to reports of the American election and publish many pictures of Senator Harding, the Excelsior giving its entire first page to the successful presidential candidate and his family. In their comments, the newspapers declare the election of Senator Harding was a triumph, give high praise to his personality and recall he has always asserted great sympathy for France. Editors are unanimous in remarking that the election clearly condemns the policy of President Wilson and settles definitely the situation existing between the administrative and legislative departments of the government. They express the conviction that the result of the election will in no way prejudice Franco-American friendship.

"By his love of order and the brightness of his character," declares the Matin, "Senator Harding deserves the confidence of the French people." Hope is expressed by the Echo De Paris that "the discussion which will be started on relations between the United States and European nations will find occasion to repair some of the faults committed at Versailles."

Defeat for Wilson
The Temps says:
"The election may be considered as a referendum on the entrance of the United States into the League of Nations, the result of which is a personal defeat for President Wilson."
La Liberté says:
"American common sense has condemned Utopia in all its forms. From

an international point of view the American election day was a bad day for Socialism and the Society of Nations, the consequences of which will be felt throughout the world."

The Intransigent says:
"From the French point of view it is a success. Senator Harding has often professed friendship for France, declaring that France would find in him an ally. He will not relinquish the traditions which bind the world with France."

Tennessee Safe in Republican Column

By Associated Press Leased Wire
Memphis, Tenn., Nov. 4.—Tennessee swung definitely into the Republican column shortly after midnight when returns tabulated by the Memphis Commercial Appeal from all the counties in the state except Marion and Bledsoe gave Senator Harding a lead of 8977 over Governor Cox and Alfred Taylor, Republican, a plurality of 37,197 over Governor Roberts in the gubernatorial contest.

The vote: Harding 199,759; Cox 189,782; Taylor 198,114; Roberts 160,917.

The two counties missing are in eastern Tennessee, considered a Republican stronghold.

Gen. Wrangle's Army Withstands Pounding

Sebastopol, Crimea, Nov. 3.—(By Associated Press)—Russian Bolshevik troops are unsuccessfully attacking the line held by General Baron Von Wrangle's army, south of Perekop. The Soviet army is battering at the seven mile trench system which extends east and west across the narrow neck of land leading to the Crimean peninsula, but General Wrangle's position is quite strong.

The town of Perekop which has been occupied by the Bolsheviks, is a mass of ruins.

SURPASSES OWN CLAIMS OPINION OF MRS. POWELL

"Trutona's Best Medicine I've Ever Taken," Decatur Woman Says.

Decatur, Ill.—Nov. 3.—"I want to recommend Trutona as the best medicine I have ever taken, for it is all and more than is claimed for it," says Mrs. M. N. Powell, a well known Decatur woman who resides at 404 East Division street. Mrs. Powell says further:

"For the past two years, I have experienced poor health. Then after I had the flu about a year ago my condition became worse. Every day I'd suffer spells of weakness, usually in the afternoon, when I'd be forced to lie down. My appetite was very poor, there seemed to be no taste to my food. I was so weak and nervous that I didn't rest well at night, and constipation bothered me so much I had to take laxatives quite frequently."

"I had tried many other medicines, but I've never found anything that gave me so much relief as Trutona. I

feel much stronger all over now and I don't suffer the weak spells as before. My appetite is much improved. I enjoy my meals now, and my bowels are nearer normal now than they've been for several years. It certainly is a relief to be able to sleep well at night, and that's what I'm doing these nights. Trutona's the best medicine I've ever taken and I want to recommend it to others."

Trutona's healthful action reaches every portion of the body and it performs its work faithfully and efficiently. Trutona rebuilds diseased nerves and tissues, creates a healthful appetite and assists in the assimilation and digestion of the food.

Trutona is sold in Dixon at Rowland Bros. drug store.

Woman's Faith Helps Husband

"I owe my good health to my wife who had faith in a newspaper ad she saw of Mayr's Wonderful Remedy. I was down so badly with stomach and liver trouble after 15 years of suffering and trying every known remedy that I had no faith in anything. This medicine has certainly been a 'God-send' to me." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere.

Advocates Limiting Export of U. S. Coal

By Associated Press Leased Wire
Washington, Nov. 4.—Limitations on the export of coal to insure an adequate supply for home industries and to direct the trade to countries that are natural markets for American coal and to those to which American ships sail in ballast were advocated today by Secretary of Commerce Alexander in a discussion of a national export coal policy.

When conditions return to normal, the secretary said, there is little possibility of American producers obtaining a permanent foothold in Europe and competing with the mines of England, Germany and France. For South American countries, however, he declared, the United States is the logical and natural source of supply.

Coal can be expected advantageously to countries on trade routes where American ships lack cargoes for the outward voyage, the secretary asserted. He urged producers and shipping interests to co-operate to this end.

Coal supply for home industry, however, should first be assured, the secretary declared, before any determined effort is made to obtain foreign markets.

OBITUARY

MRS. H. C. EARLE

Fannie Virginia Bailey was born in Woodford county, Kentucky, Sept. 27, 1863 and as the setting sun of Sunday, Oct. 24, 1920, faded into twilight her bright, cheerful spirit passed out of the tenement that held her to earthly home and friends, and was borne by unseen hands of the love that fills all of God's universe, across the bar into the life Elysian. Her bodily sufferings and pain—to what purpose our finite

intelligence finds no response—disappeared as the silken cord was loosed, and what beatific visions of glory greeted her freed soul in its upward flight only faith, which is "the substance of things hoped for, the evidence of things not seen," may give us a fleeting glimpse. Though the assurance is comforting, the pain of separation persists in piercing our hearts, sorrow lays its heavy hand upon us, and we cry out in our anguish, till time mercifully dispels the cloud that overshadows our faith and lifts our hearts to renewed hope and trust in Him whose loving plea is "Come unto Me, all ye that labor and are heavy laden, and I will give you rest."

She received her education at Eminence College, Eminence, Ky., and at East Coda Hill Institute, Fishersville, Ky., graduating from the latter school with the highest honors of her class in June 1880. She became a teacher, teaching her first school in Madison Female Institute, Richmond, Ky. From there she went to Wellington, Kan., where she met Mr. H. C. Earle, to whom she was united in marriage Oct. 6, 1885. To this union one son was born, who predeceased her to the Father's home.

Early in life she gave her heart to Christ, and united with the Christian church at Eminence, Ky., under the preaching of Rev. S. W. Crutcher, and her life has been a living testimony to her faith in Him whom she loved. She leaves to mourn her death her husband, one granddaughter, and two brothers, besides a host of friends.

Her passing to the Father's home above was bravely, brightly made and all who knew her know that when the tired lids dropped low and hid the love-light in her eyes "Angels uncanceled her repose," for her next waking dawned in Paradise. From husband hands to Angels' hands she gently passed, and it was not so far, after

all, for such as she the other Heaven lies very close to this.

May soft warm grasses bend above the sacred spot where Jennie lies, and mantle it with living green and all about her twine the roses she most loved, roses as pure and sweet as was the Angels' greeting when Jennie went home.

Warm summer sun shine kindly here, Warm southern wind, blow softly here;

Green sod above, lie light, lie light; Good night, Dear Jennie, Good night, Good night.

Mexico Puzzled Over the Result

By Associated Press Leased Wire
Mexico City, Nov. 4.—Reports of the election in the United States were given the entire front pages of newspapers of this city. Only two journals, however, the Excelsior and El Heraldillo de Mexico ventured to speculate editorially on what a Republican administration in the United States means for this country.

The Excelsior, which sees in the election a "personal rebuke" for President Wilson asserts he now "can scarcely be expected to refrain from recognizing Mexico as a revenge against the Republican senatorial majority, which in the past has assumed

an uncordial, and even hostile attitude toward this country."

El Heraldillo rejoices that Senator Harding is not "a fire eater of the Senator Fall class" but asserts his statements regarding Mexico seem to be vague and "we are confused at judging his true mental attitude toward us. His election puzzles us although we have faith in his ability."

India has the greatest number and greatest variety of beggars than any country.

Election Officials Praise Fair Voters

From the judges and clerks of all the election precincts come words of praise for the manner in which the women performed their duties as voters in Tuesday's election. That the newly enfranchised electors had made themselves thoroughly familiar with the ballot and the manner of voting was evidenced in the businesslike

manner in which they went through the formality of voting.

Why Hudson Stands First Among All Fine Cars

It needs no admission from Hudson that there are great cars, other than the Super-Six, holding and deserving the confidence of owners.

Fine materials, careful supervision and accurate workmanship are no monopoly with Hudson. And wherever practiced the sure reward is a loyal following with faith in that car.

Yet how account for the differential which is so overwhelmingly evident in the preference for Hudson?

We know that ever since the Super-Six was brought out, nearly five years ago, it has outsold all other fine cars.

We know that Hudson owners who ever change to ownership of another make are few. We know that thousands of Hudson owners

have found such abiding contentment in their cars, year after year, that they are not even curious to investigate another car.

These circumstances point unmistakably to Hudson's possession of a monopoly that men hold vital. That is the Super-Six motor. No other maker can use it. Hudson invented and controls it.

When we consider that the Super-Six motor accounts for all Hudson's unmatched records for endurance, speed and acceleration, as well as for the freedom from service troubles which is so distinctive a feature of Hudson ownership, is it surprising that it has proved too great an advantage for any other car to overcome, in winning this great following among fine cars, and holding their unwavering faith?

Here— you "Know-It-All"

ONCE in a while we run across a man who says, "Aw, they don't make cigarettes like they used to—one's as good as another now-a-days."

All right, we'll give that smoker any kind of odds he wants on Spur and win hands down.

Perhaps you are looking for that good old-time tobacco taste. Spurs are chock full of it. Couldn't help but be, with that jim-dandy blend of choice Turkish, fine Burley and other home-grown tobaccos.

Light up a Spur—take a long puff—and quicker than you can say "Jack Robinson" you will jump for a seat on the Spur band wagon.

Spurs have another surprise for you—they're crimped, not pasted. No other cigarette is rolled with the crimped seam, and you benefit by easier drawing, longer burning, better taste.

And here's extra measure—three-fold package of rich brown and silver to keep Spurs fresh and fragrant.

No use dodging—Spurs meet you at every turn.

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., St. Wayne, Ind.

Says His Prescription Has Wonderful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. Public Drug and Book Company has been appointed agent for Allen's in this vicinity with the understanding that he will freely return the purchase money to all who state they received no benefit.

Cured His RUPTURE

I was badly ruptured by lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I took hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Fulton, Carpenter, 110 Marcellus Avenue, Manassas, N. J. Better cut out this notice and show it to any others who are ruptured, you may save a life or at least stop the misery of rupture and the worry
